Design Systems
Prototyping & Wireframing

Tools

Interface - Figma, XD, Sketch
Coding - HTML, CSS, JS, SwiftUI, Claude code
Miscellaneous - Claude, Magento, MacOS

Work

Amac · UX designer

Dec 2025 - Present

Designing and iterating on UX in Figma and development in a Magento environment. Responsible for user touch points such as cart pages, cross-sell components, and campaign pages. Additionally configuring and maintaining dedicated EDU store environments for educational institutions. Coordinating closely with stakeholders.

UX Rotterdam · Volunteer

Apr 2026 - Apr 2026

Assisted with guest reception and attended keynote sessions, gaining exposure to current industry perspectives and the broader Dutch UX community.

Amac · sale advisor

Sept 2023 - Feb 2025

Advising customers in selecting the right Apple products based on customers personal needs and budget. Providing product recommendations and delivering a high quality in-store experience and contributing to sale targets.

Amac · Intern

Sept 2024 - Feb 2025

Supported the conversion team in designing and iterating on e-commerce designs, including visual design work. Assisted in the implementation of new product launches during NPIs.
